Hon. R. C. Parsons, Collector of Internal Revenue for this District, informs us that the receipts for the quarter ending October Ist amount to \$1,001,500. Notwithstanding the more favorable in elligence from Europe concerning Breadstuffs, which under ordinary circumstances

would have induced a firmer feeling on this side the water, there was a thorough collapse of the market in New York to-day, which closed heavy and weak. The fact demonstrates the speculative character of which having failed, through the checkmating policy of the Treasury, left no alternative but a recession. The firmer tone of the European markets would be encouraging but for the fact that our markets are so hopelessly beyond the shipping point, and the OUR MIDNIGHT MARKET REPORT. disposition of our merchants and producers to maintain inflated prices is so strong, that no expectation can be reasonably entertained of the home and foreign markets neeting upon a trade basis, until our sur-

The receipts and shipments at this point of Produce and Merchandise, during the forty-eight hours ending at 7 o'clock this morning, were as follows:

The market was decidedly stronger at the opening board with an increased demand. The rise was quite marked on New York Central, Hudson, Reading and Michigan Southern. At the second board the market was excited and there was a perfect rush for stock. Prices are 1630 per cent, higher than at the opening, and a large business was transacted.
